Issues

- No Finals schedule – finals held during regular class period
- Teachers teach 4 out of 5 classes.
- Advisory courses are held only during the first trimester for 9th and 10 grades.
- Should teacher grading periods be every 4 weeks or every 6 weeks?
- It may be helpful to change the district calendar so winter break and spring break fall at the end of the first and second trimester.
- No minutes for Bulletin
- 91 minutes of instructional time above current minutes.
- 0 period and 6th period will be an option for classes such as orchestra, jazz, yearbook, and jacket.
- Science labs will be integrated into regular class instruction.
- In general, all current year long classes will last for 2 trimesters and give 10 units of credit. Some classes will be 3 trimesters in length. This will be a School Governance Council decision based on small learning community recommendations.
- Professional development for the remainder of the 2009 – 2010 school will focus on standards alignment, pacing guides for all courses, and advisory
